Father Thomas' Message Corner

The pull of good versus evil is always present. It exists even in how people of today's society view the poor or homeless. On one hand society tells us to ignore them, they are drug addicts, or dirty. "Look the other way," they say so to keep from acknowledging that they exist. But the word of our Lord gives quite the opposite message. Share with those less fortunate, do not turn your back. Give of your blessings to those in need thereby letting your light shine for the glory of God. Ease the burdens of those around you by sharing your blessings from God. We could come up with a multitude of excuses for looking the other way - but Christ wants us to boldly go forth to aid those who need the help - the poor, the down-trodden, the destitute - and not for our glory but for the glory of God. Our light comes from God. The brilliance of the light is up to us, for the more we nurture the flame by doing God's work here on earth, the more radiant the light becomes.

Meditation: Jesus used ordinary images, such as salt and light, to convey extraordinary truths that transform our minds, hearts, and lives. What does salt and light have to teach us about God and the transforming power of his kingdom? Salt was a valuable commodity in the ancient world. People traded with it, like we trade with valuable goods, such as gold and stock. Salt also served a very useful purpose, especially in warmer climates before the invention of electricity and refrigeration. Salt not only gave rich flavor to food, it also preserved food from going bad and being spoiled.

The salt of God's kingdom for all: Jesus used the image of salt to describe the transforming effect of God's work in our lives - and how the Holy Spirit wants to work through us to bring the power and blessing of God's kingdom to others. As salt purifies, preserves, and produces rich flavor for our daily food, we, too, as disciples of Jesus, are "salt" for the world of human society. The Lord wants to work in and through us to purify, preserve, and spread the rich flavor of God's kingdom everywhere - his "kingdom of righteousness, peace, and joy in the Holy Spirit" (Romans 14:17).

Light that shines for all to see: Jesus used the image of light and a lamp to further his illustration of God's transforming work in and through us. Lamps in the ancient world served a vital function, much like they do today. They enable people to see and work in the dark and to avoid stumbling. The Jews also understood "light" as symbol or expression of the inner beauty, truth, and goodness of God. In his light we see light (Psalm 36:9). His word is a lamp that guides our steps (Psalm 119:105). God's grace not only illumines the darkness in our lives, but it also fills us with spiritual light, joy, and peace.

Jesus used the image of a lamp to describe how his disciples are to live in the light of his truth and love. Just as natural light illumines the darkness and enables one to see visually, so the light of Christ shines in the hearts of believers and enables us to see the heavenly reality of God's kingdom. Our mission is to be light-bearers of Jesus Christ so that others may see the truth of the gospel and be freed from the blindness of sin and deception.

There is great freedom and joy for those who live in the light of God's truth and goodness. Do you know the joy and freedom of living in God's light?
